

I am a creative and experienced offline editor with over 15 years industry experience. I have worked on a variety of projects spanning many genres including features, tv, shorts, music videos and documentaries. I am proficient with Avid and Premiere and I'm willing to travel to work on projects.

## **SKILLS**

- Assembling episodes/scenes during production & communicating with the director & producers on any technical & creative issues that may arise.
- Working with a director or on my own (self-directed or with notes from director/producers).
- Experience with workflows, ingesting, organising, backing-up & exporting for FTP, Vimeo & YouTube.
- Delivering final offline turnover for sound, picture & VFX specialists (EDL, XML, OMF, AAF)
- Collaborating with directors, producers, & the rest of post-production departments.
- Understanding of Avid Media Composer, Adobe Premiere & Davinci Resolve
